2. [ ] Talked with Mr. Woodruff, Senate Appropriations Committee staff, who indicated he would like a copy of the material which we sent to Senator Mansfield as a result of Monday's meeting. He also inquired about the source of conventional anti-aircraft ammunition. I indicated that the heavy calibre was supplied in large part by the Soviets whereas the smaller calibre was supplied in large part by the Communist Chinese.

staff, the situation in the Bahamas. He was shown a prepared analysis of the recent election. [ ] also answered a number of other questions. Mr. Blandford stated that Chairman Rivers had expressed real concern that there may be starting a long range plan for a Communist takeover and urged the Agency to examine this most carefully. We were furnished the name of an individual residing there, an American, who may
